### Air Ambulance

Please may I bring to your attention a petition to encourage the Government to exempt Air Ambulance services from duty on the fuel they use, in the same way as the Lifeboats (RNLI) are exempt.

If we gain 100,000 signatures, Parliament is duty bound to debate the issue - currently we have over 20,000 signatures.

Thank you for your support for this magnificent volunteer funded service.

**Please pass on to all of your UK friends.**

## **26<sup>th</sup> November – Ian Harwood Quiz**

So, Monday 26<sup>th</sup> November saw WMC host this years annual Ian Harwood Quiz.

For anyone who has been to one of our Monday quiz nights, the format will have been quite familiar to you, however, the introduction of PowerPoint to the Ian Harwood quiz really showed some of the other local clubs how to do it!

12 clubs from across the north west sported teams, including 2 Wallasey Teams.

The quiz was held in the function room at Port Sunlight Sports and Social Club, using their large projector screen to show the questions to everyone in the room.

After 50 questions KDMC took this years title from Stockport 061, with Wallasey A taking a respectable 3<sup>rd</sup> – of course we didn't try too hard to avoid hosting again next year ;o)

---

Thanks go out to all who attended and made for a great night, Tony King for loan of the projector and his organisation skills at getting everyone together, and Neil Philpotts for organising the venue and getting up the ladder to mount the projector – this was a little harder to get down at the end of the night after a few beers ;o)

**EGM – 3<sup>rd</sup> December**

## **Extraordinary General Meeting**

To all members of Wallasey Motor Club past and present.

At the recent Annual General Meeting, held on 29<sup>th</sup> October, there was criticism levelled at the then current committee, both individually and collectively, regarding the way certain aspects of the Motor Club are run.

Comments were made that certain past members will not return and re-join the Club with the current organisation in place.

Ultimately the meeting concluded with no Committee being elected due to these comments.

These comments came out of the blue and were hurtful to the Committee because, if these statements are true then, the AGM is the ideal opportunity to stand for a

committee role to change the way things are run but no new nominations for any positions were received.

Therefore an EGM will be held on Monday 3<sup>rd</sup> December 2012 at Port Sunlight Village Social Club starting at 9pm prompt and we would welcome nominations (form attached) for any of the Committee roles listed below so you can have your say in how the club is run .....
